

**Surrey Business Leaders' Forum**  
**Terms of Reference of the Partnership**

Working alongside the One Surrey Growth Board, the Business Leaders' Forum (BLF) will;

- Bring together senior business leaders across Surrey to identify economic and infrastructure priorities and influence the actions and direction of funding of public funding partners
- Promote and guide the sustainable economic development of Surrey in a context of green growth
- Oversee, inform, and influence the development of policies, strategies and action plans relating to economic growth and infrastructure
- Contribute to evidence relating to Surrey's economic performance by providing company level data that reflects economic conditions and positive/negative experiences of local businesses.
- Advise, the One Surrey Growth Board on the implementation of its Economic and Infrastructure strategies
- Monitor progress of the economy and the projects being delivered by the One Surrey Growth Board and its partners
- Make recommendations to the One Surrey Growth Board, the Council and other partner organisations on matters relating to the achievement of the Economic Development and Infrastructure priorities
- Help influence local, national, and regional funding allocation decisions that help to secure the economic development of Surrey
